## \* THE FRONT TABLE QUES FOR 2025-2026 \*

**T**he Brothers of Omega are strong and steady. Their love for the Fraternity was first instilled in their souls when they became Omega men.

Keeping with the vision of the Founders' Love, Cooper, Coleman, and Just, a group of new leaders at the chapter level has emerged.

They include **Brother Earl S. Jefferson, III**, Tau Pi's 27<sup>th</sup> Chapter Basileus.

One of the first communications from the office of the new Basileus, Brother Jefferson, was a request for Brothers to confirm their intent to continue serving as chapter committee chairmen. Vice Basileus **Brother Joseph A. Brown** will handle the committee coordinating duties. Serving as the Keeper of Records & Seal will be **Brother Markice Lewis, Sr.** **Brother Johnny Blackwell** will handle the Chapter's finances as the Keeper of Finance.

The three other officers appointed by the Basileus include **Brother Charles Watkins**, Keeper of Peace; **Brother Dr. Reginald Riddick**, the Chapter's Chaplain; and **Brother Dr. Milbert O. Brown, Jr.**, the Chapter Reporter.
